Aqualetics protection concept for the offers in the swimming hall Birsfelden

Valid from Monday, August 15, 2022, until further notice

Attention: The original language of this document is
German. Translation errors may exist.

Initial situation

This protection concept is intended to show how swimming courses, swimming training and aqua fitness courses can take place in the Birsfelden indoor swimming pool within the framework of the still valid, overriding protection measures.

In addition to the current COVID-19 ordinance and recommendations of the Federal Council, the cantons, the municipality as well as the associations, the following overriding principles must be fully complied with:

- Compliance with the hygiene regulations of the Federal Office of Public Health (FOPH)
- Washing or disinfecting hands.
- Only symptom-free participants can take part in the offer.

Capacity limitations at the Birsfelden indoor swimming pool:

Currently, there is no capacity limit at the Birsfelden indoor swimming pool.

Communication of the protection concept / duty to inform

The protection concept will be sent together with the other information documents by e-mail to all participants or legal guardians. In addition, the protection concept will be posted together with the information documents on the Aqualetics website. Participants, legal guardians and coaches commit to implementing and adhering to the protection concept and to supporting each other.

The protection concept is continuously adapted to the current COVID-19 regulations and recommendations as well as the corresponding requirements of the Federal Council, the canton, the municipality and the associations, and corresponding changes are communicated on an ongoing basis.

Basic rules

- In case of detectable COVID-19 symptoms (see current BAG information here), participation in an Aqualetics offer is not allowed. The person concerned must immediately go into quarantine and inform the personal physician and the Aqualetics Office.
- The instructions of the staff must be followed.

Wardrobe rules for ALL offers

- Currently, there are no specific rules related to Covid recommendations.

Specific rules for children offers

- Currently, there are no specific rules related to Covid recommendations.

Attendance lists and requirements for "tracking"

Attendances are continuously monitored and recorded by the coach so that tracking can take place at any time.
